Vision
We envision a world in which everyone using the internet:
● Has the opportunity to get to know and understand the Gospel
● Can find out about Christ in their own language in a way that aligns with their culture
● Is able to find Biblical answers to life questions
● Can get in touch with a Christian who is happy to tell them more about God - within a few
clicks
● Is able to find their way from screen to church
And in which every Christian shares their faith in a way that suits them

Mission
Building interconnected national GlobalRize organisations that mobilise Christians to share the
gospel online in many different ways with the result that many find their way from screen to
church.

Strategy
● Initiating new national organisations
● Coaching the leaders of each national organisation
● Align the ministries of the national organisations
● Organise mutual support among the national organisations through sharing of IT
resources, human resources, and finances
● Safeguard the theological identity of the national organisations

5 year goals (end of 2028)

● National organisations in the Netherlands, Nigeria, South-Africa, Kenya, India, USA,
Latin America, Francophone Africa, the Philippines, and three other countries.
● 5,000 volunteers
● Personal conversations with 1,000,000 people yearly
● 2,500 new church members
● 10 national organisations have developed their own social media brand
● We have found a way to do church planting through online ministry

2024 activities
● Two-weekly coaching sessions with national leaders in Nigeria, South Africa and Kenya,
with a focus on finding more mentors and starting ministry in one or more local languages.
● Launching GlobalRize India
○ Appointment of national director
○ Appointment of language team coach
○ Integration of existing ministry in 4 Indian languages into GlobalRize India
○ Start of ministry in at least 2 other languages
○ Plan for sustainability through funding from within India
● Launching GlobalRize Latin America
○ Forming 70 existing volunteers in Spanish team into a cohesive whole
○ Deciding which country to be based in
○ Appoint leadership
○ Develop ministry plan separate from GlobalRize the Netherlands
● Trying to launch GlobalRize USA
○ Exploring opportunities through existing contacts
○ Building relationships with other potential launch partners
○ Make a decision on the right way to start in the USA
○ Ideally, form a board for GlobalRize USA
● Build an international presence
○ Rebuild international website with links to national organisations
○ Meet with international mission leaders
● Research the link between internet ministry and church planting
○ How can internet ministry result in church planting?
○ How can internet ministry support church planting?
